Luxury Tailor Made Journeys depart on the dates that work for you and feature expert local guides throughout your journey. The itinerary below can be customized to your interests.

### DAY 1 ARRIVE MUNICH, GERMANY

Arrive in Munich, where you are met by your Guardian Angel, and then proceed to explore the city.

Discover the “village of a million people” and traditional capital of Bavaria as you discover its historic center on foot. Stroll along its pedestrianized streets, taking in shops, markets and bustling beer halls, among them the storied Hofbräuhaus. Continue to the Marienplatz, site of the Old and neo-Gothic New Town Hall, with its 314-foot-tall belfry and famous Glockenspiel, a chiming clock that re-enacts two stories from Munich’s history with life-sized characters. Then, see the iconic Frauenkirche — Munich’s Gothic cathedral — its twin towers topped with domes rather than spires. Proceed to Germany’s southern border, where you check in to your hotel.

Schloss Elmau

### DAY 2 INNSBRUCK , AUSTRIA | TYROL’S CHARMING CAPITAL

Cross the Austrian border to reach the charming city of Innsbruck. The capital of Tyrol, it’s known for its Imperial and modern architecture. See the landmark Goldenes Dachl (Golden Roof). Completed in 1500, it was graced with 2,657 fire-gilded copper tiles and marked the marriage of Emperor Maximilian I and Bianca Maria Sforza. Continue to the Rococo-style Hofburg Imperial Palace and Gothic, 16th-century Hofkirche (Court Church), built as a mausoleum for Maximilian I. See his cenotaph within, which boasts an impressive collection of German Renaissance sculpture, and then discover the 16th-century Silver Chapel, with its elaborate altar and silver Madonna. After lunch at leisure, change gears as you take a two-hour hike through the undulating Wipptal Valley. Follow the Brenner Pass as you cross lush meadows framed by towering peaks.
